Dear Brother Samir Abo-Issa, Assalamo Alaikum

It is indeed great pleasure for me to send this congratulatory note on the successful completion of thirty years of Dar Al-Hijrah at 3159 Row Street, Falls Church, VA 22044.

Al-Hamdo Lillah, the Center has made tremendous progress in all these years and has become the hub of community activities, fulfilling an essential need of the society. The Center also has helped thousands of young Muslims to learn Islam and become constructive members of the society at large.

I, along with all the members of the Islamic Circle of North America (ICNA), wish your Center greater success in the years to come.

Sincerely,

Naeem Baig
